New Haven Dec. 30th 1840

Dear Brother

Above I send you a draft for three hundred & fifty dollars for sister Elizabeth -

Last week on Monday our County Court adjourned & I was prepared with Cornelia to make you a visit on Tuesday. but was prevented by the storm. Cornelia being far from well.. During the remainder of the week I could not safely take her with me -

Now I have entered upon that portion of my Insurance business which I obtained after the great fire in New York & have some 150 policies to renew in a short time, as the Mutual Ins. Compys are picking up all they can it is peculiarly important to me to be here for a few days to come.

I therefore cannot say definitely

when I shall see you. but am anxious so to do at the first possible moment

I hope tomorrow to send down the package of papers you left with me. The watch I shall take with me

We are all in good health. Nancy, Elizabeth & Cornelia send their love to Sister Theresa & Mary
